Attn: Marc & Charlie

Gentlemen,

Just a short note of thanks for the great job you did on my 2002 Hyundai Sonata. I was very concerned that my transmission could be gone. You did a diagnostic check, found the problem and fixed it. You explained everything in a very honest and professional manner. You called when car was ready and the price was right. I will definitely recommend Aaction to anyone of my contacts that have car problems. Thanks again for a job well done.
